League Minimums

You must have a minimum of these position players in your teams 34 Active roster slots. You must also have 11 Open Active slots filled with any position player for your roster to be considered valid for league simulations. If you don't, FBPro 98 will not allow the simulation to take place.

League Minimums

You must have a minimum of these position players in your teams 34 Active roster slots. You must also have 11 Open Active slots filled with any position player for your roster to be considered valid for league simulations. If you don't, FBPro 98 will not allow the simulation to take place.

League Minimums

You must have a minimum of these position players in your teams 34 Active roster slots. You must also have 11 Open Active slots filled with any position player for your roster to be considered valid for league simulations. If you don't, FBPro 98 will not allow the simulation to take place.

League Minimums

You must have a minimum of these position players in your teams 34 Active roster slots. You must also have 11 Open Active slots filled with any position player for your roster to be considered valid for league simulations. If you don't, FBPro 98 will not allow the simulation to take place.

League Minimums

You must have a minimum of these position players in your teams 34 Active roster slots. You must also have 11 Open Active slots filled with any position player for your roster to be considered valid for league simulations. If you don't, FBPro 98 will not allow the simulation to take place.

League Minimums

You must have a minimum of these position players in your teams 34 Active roster slots. You must also have 11 Open Active slots filled with any position player for your roster to be considered valid for league simulations. If you don't, FBPro 98 will not allow the simulation to take place.

2 QB | 3 RB - HB, FB | 5 R - WR, TE | 6 OL - T, G, C | 4 DL - DE, DT | 5 LB | 7 DB - CB, S | 1 K | 1 P

League Minimums

You must have a minimum of these position players in your teams 34 Active roster slots. You must also have 11 Open Active slots filled with any position player for your roster to be considered valid for league simulations. If you don't, FBPro 98 will not allow the simulation to take place.
